

## Sheering CE Primary School

### Pupil Premium Strategy Statement 2020-21

Number of pupils and PPG received	
Total number of pupils on roll	101
Total number of pupils eligible for PPG	13
Amount of PPG received per pupil	£1345 (PP) x12 £2345 (LAC) x1
<b>Total amount of PPG received</b>	<b>£18,485</b>

Performance of disadvantaged pupils		
<i>(Remove/add other measures below as appropriate to your school phase)</i>	<b>Previous year (Autumn 2019)</b>	<b>Current year (Autumn 2020)</b>
% of pupils meeting the expected standard or above in reading	<b>50% (57% all children)</b>	67% (57% all children)
% of pupils meeting the expected standard or above in writing	<b>57% (46% all children)</b>	73% (63% all children)
% of pupils meeting the expected standard or above in maths	<b>56% (45% all children)</b>	73% (61% all children)
Meeting expected standard in KS2	58% (4/7 where 1ch=14%) (67% all children 10/15 1ch 7%)	Data unavailable due to school closure during lockdown.
Meeting high standard in KS2	0% (0% all children)	Data unavailable due to school closure during lockdown.

## Summary of PPG spending

### Objectives in spending PPG:

*Set realistic objectives that focus on specific groups of pupils or subjects.*

- To continue to close the gap between all children and children receiving PPG
- To close the gap in writing in KS2 between all children and those receiving PPG
- To increase the number of PPG children reaching Exceeded in maths

### Summary of spending and actions taken:

Pupil premium funding is being utilised, with additional school funding, to enable PPG children to engage in their learning and enjoy the classroom experience by participating in:

\* YCT (Play therapy) £45 per hour for 2 pupils (13 sessions): £1,170

\* LSA one to one support: £14,265

\* Small group work and one-to-one targeted support for all PPG pupils in White Rose maths, Talk for Learning and SMSC which is continuously monitored, assessed and effectively tracked – school wide spend of £26,920.

\* Further emphasis on upper KS2 support particularly in maths and writing where progress is being made but where the PPG vs peer gap remains more significant.

### Outcomes to date:

\*PPG pupils are performing well in comparison to all pupils especially in Early Years, KS1 and lower KS2 in reading, writing and maths.

\*Initial catch up programme (2 weeks in September 2020), which looked to re-engage children with their learning after the lockdown break, has been effective in closing the gap for PPG pupils after the school partial closure.

<b>Total PPG which school will receive</b>	£18, 485
<b>Total PPG expenditure (to date November 2020)</b>	£13, 864
<b>PPG remaining (allocated in Spring 2021)</b>	£4,621
