## Curriculum Statement

At Sheering CE Primary School, we provide a curriculum which is vibrant, rich and challenging that goes beyond the experiences of the classroom to meet the varied needs and interests of all our children. Alongside our TERRIFIC (Christian) values, it provides opportunities for children to develop as resilient, independent, confident and successful learners, with high aspirations, who know how to make a positive contribution to their community and the wider society.

### **Our Learning Challenge Curriculum:**

- Ensures that academic success, creativity, problem solving, resilience, physical development, well-being and mental health are key elements that support the development of the whole child and promote a positive attitude to learning.
- Celebrates diversity and utilises the skills, knowledge and cultural wealth of the community while supporting the children's spiritual, moral, social and cultural development, ensuring that children are well prepared for life in modern Britain.
- Recognises the importance of deeper levels of knowledge and understanding to underpin pupils' thinking, promoting working at greater depth.
- Fulfils all the requirements of the National Curriculum and the Locally Agreed Syllabus for Religious Education.
