Dear Parents,

Over the last two weeks, in addition to our topic work in classes, we have been involved in many of the important celebrations such as St Patrick's day, Science Week, National Sign Language week and Red Nose Day. These special days and events help the children to have a greater understanding of the wider world and helps us to develop our compassion for others.

Thank you for your support last week with the Book Fair, the parent consultations, the parent questionnaires and engaging with My Happy Mind. I would also like to thank you for your support for our after-school clubs which have been very well attended; I know this has been because you have encouraged your child(ren) to persevere and attend every week. We really value and appreciate your help and support.

### **Happy Book**

In the Happy Book this week Elsie-Mae thanked Tommy for helping her with her maths; I thanked Archie for supporting the younger children in Collective Worship and around the school; Thank you to all the adults who accompanied Fitzwalter class on their trip to London; Thank you to the Prefects who have been setting up the hall every morning and I also wanted to thank my football club for great listening and sporting behaviour every week.
