Friday 2nd May 2025

Dear Parents,

Our week was dominated by our Ofsted inspection which we have been expecting this term. We had two inspectors for two days and during that time they spoke to the children, parents, governors and staff, looked in books, observed lessons and lunchtimes, checked important policies and documents and looked at the responses to the questionnaires. While it was an intense few days, we felt the process was fair and look forward to reading the report in a few weeks.

Dates

Please see the dates below for the rest of the school year.

VE Day Celebrations

While learning about VE day in Collective Worship this week, we were amazed to hear the stories that the children had learnt about their great grandparents who served during World War II and those who are still serving in the army now. It would be so interesting to have some more details about these stories for us to share next week. Please could you either write them down, email them or send them via Tapestry or Dojo. Or you could come into school to talk about them with your child's class. Thank you.

Happy Book

In the Happy Book this week: I thanked all the children who were chosen to speak to the inspectors this week; Ruby-Lew thanked Belle for always being there for her; Tilly thanked Edith for always looking after her and Poppy's family were very proud of her for taking part in the District Scouts' St George's day parade with her Rainbows group on Sunday.
