### **Week 3 Menus**

Dear Parents and Carers,

We began the week with an assembly about Building Learning Power (BLP) which is the learning tool we use at Sheering school to help us all to become better learners. The children were reminded about exercising their learning muscles when they are managing their distractions, being absorbed in their work, making links with their learning and taking a risk. Every child is given a Learning Passport and each time a member of staff sees a child demonstrating any of the listed learning powers, then a stamp is added to their passport. I look forward to awarding many bronze (10 stamps), silver (50 stamps) and gold certificates (100 stamps) in the coming year. Some of the children made the link between our Christian values and BLP especially with Endurance, being Independent and being Responsible (for our learning).

In Team assembly this morning, I was pleased to announce the remaining class representatives for our School Council; Sophia and Harry (Copeland class); Summer and Cameron (Durrington) and Ryan, Jacob and Josie (Fitzwalter). Thea and Luke were voted head girl and head boy last week. The children are taking their responsibility very seriously and their first task will be helping to decide the new winter menus this term.

Today we enjoyed our first coffee morning in support of the Macmillan trust. Thank you so much for supporting the event as many of our school community know first-hand just how incredible the Macmillan staff are.
