Week One Menus

Friday 6th May 2022

Dear Parents,

At Sheering school we have continued to explore our Christian value of being Trustworthy and Honest this week and in particular, thinking about what it means to have trust (or faith) in someone or something. Rev'd Dawn told us the story of 'Doubting Thomas' and helped us to understand how we can trust something even if we can't see it. This morning we celebrated the achievements of children who have had faith in themselves and also who have trusted their own knowledge and learning.

Jubilee Mug Competition

I would like to thank all the children for their competition designs for the platinum jubilee commemorative mug which the Sheering Parish Council will generously be donating to every child at Sheering school and Pre-school. We had over 100 entries to the competition and this morning we announced the winning designs were drawn by Teagan and Ivy; the design went swiftly to the printers after Team Assembly.

Happy Book

The coaches from Tuesday's after school football club wanted to thank George and Max for listening so well and following instructions and the whole school wanted to wish our Year 6s the best of luck next week when they take their SATs.

Achievement from Home and School

Home: Finley was very proud of his Trainer of the Week award for goal keeping and we wished him luck for his final on Sunday.

School: The following children have all achieved their **Bronze Athletics** award; Laura, Alfie, Noah, Mya, Elsie-Mae, Max, Mitchell, Catherine, Darcy, Esmee, Harry and Max. Laura, Max and Catherine have achieved their **Silver Athletics** award. Our **Spelling Shed** superstar is Quickbury class with Fitzwalter class with 142,065,008 points. Our **Top 10 Super-Spellers** are Izzy, Catherine, Alfie, Noah, Reggie, Mya, Joshua, Darcy, Isabella and Edith. Ray was presented with his **Silver BLP Certificates**.

Roll of Honour

Our Learning Heroes this week: Children who have trusted a method they have been taught.

Copeland: Max has persevered and has really started to trust his ability to use 'sound talking' in his head and using his segmenting finger to help him read and spell.

Durrington: Alfie, Lenny and Pablo made amazing progress in maths as they trusted their column method when adding and subtracting this week.

Fitzwalter: Blake remembered the rules when dividing by 10 and 100 and therefore has had great success in maths

Quickbury: Josie has been working really hard making lots of notes about different methods ready for her SATs next week. Well done children. You are all TERRIFIC!

Mrs Brittain's Star of the Week

My Star of the Week is Kenny for trusting the methods he has learnt and for using them with confidence.

Birthdays

This week we sang the birthday song to Max who is 5 years old today and Logan who will be 5 years old tomorrow.
