Friday 10th November 2023

Dear Parents,

It was so lovely to see everyone in Team assembly this morning. Thank you for all your kind wishes and thoughts and I look forward to being back full time soon.

This morning was a wonderful celebration of the achievements the children are having in and out of school and it was great to see them managing their distractions and sharing in the success of others. In the run up to Remembrance day, the children have had many opportunities to remember the sacrifices our service men and women have made for our country and to think of those affected by the many wars and conflicts which are happening at the moment around the world. We hope many of you will be able to join in the Remembrance service in Sheering church on Sunday and representing the school in the laying of the poppy wreath at 12:00.
