Week 1 Summer Menus School Clubs

Dear Parents and Carers,

There have been many important events this week which have helped us to remember our TERRIFIC values. On Monday the whole school community gathered at the war memorial to remember our service men and women and families affected by conflict now. It was also so lovely to see so many of you at the church and at the special memorial service on Sunday. I was so proud of the children; many members of the Sheering community commented on how well-behaved and polite the children were.

On Tuesday we had a special assembly to mark the start of Friendship week; the children heard a story about filling their 'buckets' with kindness and we have been amazed at the acts of kindness that we have seen.

I was also very proud to award 7 children Prefect badges for their help, kindness and responsible behaviour around the school. Today was a very exciting day for the children as our long-awaited new toilets/changing rooms were officially opened. We would like to thank Paul Newman and his team for their amazing work.
