Week 1 Winter Menus School Clubs

Dear Parents and Carers,

We finally received the report from the Ofsted inspection which was held just before the Christmas holidays. I am pleased to inform you that we are still a Good school and the report highlights many strengths; In particular, Early Years, reading, phonics, presentation in books, the ethos of the school and the achievement of all our pupils. The report also recognises that our curriculum is going through many changes (which is a requirement for all schools during 2019-20) and Ofsted will return within 2 years to see how it has developed. I am really pleased with the outcome and would like to thank the staff for their resilience and dedication in improving our school and the governors for their continued support in our journey. Thanks must also go to our children and you, the parents for helping the inspectors to see that;

'Pupils are happy at this small, friendly school. Everyone gets on well together. Pupils and parents and carers feel that they are part of a caring school community. Pupils enjoy a range of subjects as well as extra-curricular activities. Pupils are well cared for by staff'.

The report will be available on our website through the Ofsted link.
