Dear Parents,

I hope everyone is keeping safe and well.

This week has certainly had a different feel to it than last week when the children were so excited to see everyone. We have noticed how more emotional the children are at times and our priority in school, especially for these 3 weeks, is to help the children to feel safe, secure and happy. Please let us know if your child is feeling more anxious than normal as we can try and address this in school. We are focussing on our emotions and mental-wellbeing a lot more in school so that the children are ready for their learning once again.

We cannot believe how close we are to the Easter break already and have been reminding the children of the Easter story which they been enjoying learning about. It has been lovely to see how well they understand how important this time is in the Christian calendar and they know it is a time for forgiveness, thankfulness and compassion. Red Nose Day today has also helped us to remember how the Bible teaches us to always help others when we can.

Happy Book

I would like to thank Katie for saving the day! She found the essential lead that we needed to connect everyone for Collective Worship yesterday and she did not give up until she found it. I would also like to thank Alfie for sharing his wonderful books on Sir Captain Tom with me.

Durrington: When we re-enacted Palm Sunday, Patrick demonstrated his understanding by playing the role of Jesus so well.

Fitzwalter: Archie demonstrated a deep understanding of the Easter story and shared with us why it was so important that Jesus sacrificed his life for us.
