Dear Parents,

As we have come to end of this first full half term, I have been reflecting on this time when we were all so excited to be together again. However, this transition back to school has had its challenges and it has been a shame to see the rise in bad language and disrespectful behaviour. This is something that we will continue to work on, with your support, to make sure that Sheering school is the safe and happy environment that we used to know.

With the coronavirus restrictions being slowly lifted, I would like to remind you that we will be returning to the original start and finish times for everyone (8:45 teacher is on duty in the playground before school; 8:55 school starts: School finishes at 3:10pm) from the first Monday back (June 7th) after half term. Please do not drop your children earlier than this as there may not be a member of staff around at that time. You can also use any entrance before and after school.

With the warmer weather approaching, can I also remind you to put sunscreen on your children **before** school, to provide a hat and that the children should have a water bottle (with only water in it) every day.

Happy Book

Charlee wanted to thank Mrs Gurteen for helping her every day and to say that she is kind and thoughtful.
