Winter Menus Week 2
All clubs will run this week

Dear Parents and Carers,

We have had a busy week at Sheering school with the Year 6 SATs (Standardised Assessment Tests), which meant some changes to our normal timetable. I would like to thank the rest of the school for being so supportive of our Year 6s and allowing them to have the space to do their best. It was lovely to have so much help from our Year 5s in helping to prepare for collective worship every morning and by being Play Leaders. The older children have also been looking after Copeland class at lunchtimes now that they have joined us on the back field. During collective worship this week, when we were exploring the Christian value of Truthfulness, we had some very interesting discussions on issues such as 'is it ever alright to tell a lie' and 'what is the difference between lying or keeping a secret'. This might be something that you could talk to your child(ren) about; see if they can remember the two stories that they have heard about telling the truth.
