**Week 3 Menus**  
**All after school clubs are now finished until the Autumn term**

Dear Parents and Carers,

This week at Sheering School we have begun to reflect on the school year as we are drawing nearer to the end. Year 6 have had visitors talking to them about the transition to their secondary school and the final preparations have been happening for the production of the Lion King. On Tuesday afternoon, many members of St Mary's church came to school to hold a Prayer Spaces workshop for the whole school. In small groups the children were invited to have time to reflect, be still, think of others and themselves through many different activities. Some of the work produced is being displayed around the school. The workshop also gave the teachers and myself many ideas for next year as we continue to develop spirituality at school. We would like to thank our special visitors for a wonderful afternoon.
