Week 3 Menus

Dear Parents and Carers,

It was lovely to see so many of you at Team Assembly this morning, especially as the school was closed last week for training. Last Friday many of the staff attended a first aid course at school.

At school this week, we have continued to explore our TERRIFIC (Christian) value of Endurance and celebrated the achievements of many children who have persevered with their challenges.

Welcome

We have welcomed three new families to Sheering school this term; We are pleased that George, Charlie, Madison and Alfie have settled quickly and have made new friends. We are also pleased to have three new governors who have joined our governing body; we would like to welcome Jane Potter (Parochial Church Council), Ami Leland (Durrington parent) and Vicky Jones (Copeland parent).

Travelling Crib

If you would like to take home the Travelling Crib (Nativity scene) to share with your child at home, please sign up for it in the school office.

Parking

There have been some recent near-misses in the village hall car park recently involving speeding cars and small children. Please can you be mindful of children crossing the car park, be aware that small children may not be seen in your mirrors and to keep you speed down.

Please can I also remind you not to park in the pub car park before or after school. The pub receives deliveries throughout the day so it is not safe for the children. Last Friday, there were not enough parking spaces for the customers as so many of our parents had parked there after school.

Achievement from Home and School

Home: Luke was presented with his Grade 1 piano exam certificate, which he passed earlier this term; Emily and Harriet both passed their Grade 3 gymnastics exam and were presented with a certificate and badge.

Happy Book

In the Happy Book this week; Mr Meade and Mrs Ashbee wanted to thank all of Fitzwalter class for their selfless notes to Santa; Wendy thanked her colleagues for their help last week; We had a 'thank you' from the Poppy Appeal for raising £58.31 and Henry left a note to say 'goodbye', as he is moving schools and wanted to tell everyone that he has enjoyed being at Sheering school.

Roll of Honour

Our Learning Heroes this week: Children who have managed their distractions and have been absorbed in their work.

Copeland: Lenny is always making a conscious effort to manage his distractions. He is always keen to do his work, even asking to do extra.

Durrington: Archie has been working really hard to manage his distractions, sometimes moving to a quiet place to read or finish his work.

Fitzwalter: We are proud this week that Molly has begun managing her distractions and her learning has begun to soar.

Quickbury: Kayleigh was completely absorbed in her work when writing a setting and managed to tick off all of her success criteria.

Well done children. You are all TERRIFIC!

Learning Hero

My Star of the Week is Finley H for working so hard and managing his distractions for the last two weeks.
