Dear Parents,

As we get closer to the end of term, I am thankful that we have all stayed safe so far after hearing the news this week that many of our local schools and pre-schools have had to partially or fully close due to cases of coronavirus. I can understand how frustrating it is for parents and grandparents to not be able to attend school events (especially with the thousands who are attending the football, tennis and grand prix) but the government guidelines are very clear for schools; a local school had to send a year group and their parents home from their sports day after a test came back as positive. We will keep you informed of any extra measures we are instructed to make.

One of our pupils really demonstrated many of our TERRIFIC values this week by deciding to have her long hair cut to donate it to the Princess Trust. Sienna's hair reaches all the way down her back, so I know what a great sacrifice this is going to be for her. We will send out a separate link for you to donate to this cause if you would like to. Well done Sienna.

Happy Book

Mrs Shoults wanted to say 'well done' to Teagan for all her hard work she puts into her spellings every day, which she does with a big smile and I wanted to thank Durrington class for the wonderful morning I had with them last Friday.

Our Learning Heroes this week: children who have enjoyed sharing their work or their learning with others

Copeland: Tommy has really enjoyed learning about people who help us. He painted a fantastic picture of an ambulance and couldn't wait to show everybody.

Durrington: Lenny H has been enjoying his maths work and is always taking a risk with his learning.

Fitzwalter: Hannah has enjoyed learning with others during her maths challenges and sharing her ideas.

Quickbury: Brooke has been fantastic at working with others and helping to solve their problems.

Well done children. You are all TERRIFIC!
