Week 2 Summer Menus School Clubs

Dear Parents and Carers,

At Sheering school this week, we have continued to demonstrate our Christian value of thankfulness by thinking about our health and well-being. From September we have introduced a daily fitness challenge in to our curriculum to help us increase our stamina, agility, concentration, team work and general well-being. On Monday we do the Monday Mile, Tuesday is the Team Work challenge followed by the Wednesday Workout, Thoughtfulness Thursday (yoga and meditation) and Friday Fitness (aerobics and keep fit). All the children and staff take part and I hope you will also encourage your children to do so by providing the correct PE and hair ties for long hair.

Macmillan Coffee Morning

Thank you for all your support with the Macmillan coffee morning last week. Together we raised £159.20.
