## Week One Lunch Menu

Friday 5<sup>th</sup> November 2021

Dear Parents,

I hope you had a good half term break. I cannot believe how fast term is going; the children have been working so hard and it was good to be able to share this with you at the Parent Consultations before the holiday. We finished the half term with a disco organised by the PTFA; the children had a brilliant time and I would like to thank the PTFA, Charlee and Scarlett (for their tattoo stall) and the teachers for getting through two lots of parent consultations and a disco that week.

At the end of last half term, we were focusing on the Zones of Regulation (ways of managing our emotions) as we have begun to notice how some of our children have been quick to anger.

### Student Council and School Lunches

We had our first Student Council meeting before the half term break and the children helped me to decide on the new menus for the rest of this term. They then reported this information to the classes in preparation for the new menus starting from Monday. I am pleased to say that Mrs Fulton and Mrs King (lunchtime staff) have returned to work after being off sick and normal services will resume! Thank you for your patience and offers of help here.

### COVID-19

You will have received the letter from the government with advice about testing our primary school children twice a week. With the numbers of COVID cases rising again, this will be the best way to control an outbreak at school and protect our staff. The children and parents who are unwell at the moment with COVID19, were in our prayers this morning.

### Happy Book

Mrs Hadley thanked Fitzwalter class for their wonderful swimming, behaviour and listening skills on Wednesday; Waffa thanked Sophia and Amelie for their help at lunchtimes and Phoebe wanted to thank Jessica for always being kind to her.
