Friday 7th May 2021

Dear Parents,

I hope you enjoyed the long weekend.

It has been lovely to hear that the children have been returning to lessons and interests out of school and we celebrated the achievements of those children this morning during Team assembly. It was also nice to have so many parents join us each week. We will continue to use the same link every Friday until we can meet in the hall, hopefully after the 21st June.

We have continued to explore our Christian value of being trustworthy and honest and the children were given time to reflect on the stories that Rev'd Dawn told the children from the Bible and the story (The Fib) which I read to them.

New Library Shelving

During the Easter break, we were so pleased to have the bookcasing in the KS2 corridor redesigned by Lee Adams with some seating for the children while they look at books. We would like to thank Lee for the amazing book cases but also thank the PTFA and parents for your support in raising the funds. The teaching staff are really excited about buying new books to support our topics and books which reflect diversity; we would like to ask if anyone works for a book company which will be able support us financially with this.

Roll of Honour

Our Learning Heroes this week: children who have been shown resilience with their topic work.

Copeland: Leia has shown great resilience in art this week and she drew an amazing picture of a lion.

Durrington: Jude impressed us in history this week as he remembered so much from a previous topic.

Fitzwalter: Finley H has made a fantastic effort to find out information about our topic story 'Street Child'. He has produced a wonderful account of the first part of the book.

Quickbury: Ruby B worked amazingly in our art lesson. She was so resilient, working in a team with her classmates and produced a fantastic model of an African-style house.

Well done children. You are all TERRIFIC!
