Dear Parents,

Welcome back to this new term. It is not the start that we were hoping for, but I would like to thank the children, parents and staff for your resilience and patience as we have entered in to home-learning again. We are working hard in school to make sure that every household has a device that they can access the online learning on and printing off work where needed. Please contact the school office or email me head@sheering.essex.sch.uk if you need any support at all. Initially, we thought that we would be at home for only 2 weeks, but now that the situation has changed, please contact me as soon as possible if you will need to send your child(ren) to school because you are a critical worker.

Even though most of the children are at home, it has been lovely to be able to see everyone every day during Collective Worship. It is so important that we have this contact with each other and can see our school community. We understand that it may be difficult to get through all of the children's tasks at home, so do not worry if things are missed. We need to make sure that this challenging time is as calm and stress free as possible. Remember that we are here even if you just want to have a chat.
