## MENUS – WEEK 1

Friday 10<sup>th</sup> February 2023

Dear Parents,

This week we have continued to think about our Christian value of Courage; it has been wonderful to see the children beginning to demonstrate this more in all aspects of their learning in and out of the classroom. I have noticed how many more children are beginning to put up their hands and answer questions in class or during Collective Worship and really take a risk with their learning.

As mentioned last week, we have also explored many aspects of Internet Safety and Children's Mental Health this week. It was good to see the children's understanding of how the two areas are linked i.e. that their mental health can be affected by the amount of screen time they are having and the things that they are watching. They also promised to spend more time outside especially during half term so you can remind them of this next week!

### World Book Day

Our theme, chosen by the children, for World Book Day (Thursday 2<sup>nd</sup> March) this year is Fairy Tales. The children will be invited to dress as a character from any of the well-known traditional tales or a more modern fairy tale. Please speak to me or the class teachers if you have any questions.

### Happy Book

In the Happy Book this week; Poppie and Edith's families wanted to tell them how proud they are of them for having the courage to perform so well like 'two shining stars'; Olivia and Copeland class thanked Mrs Robins for talking to them about police officers and detectives; Gill Davidson thanked Noah for listening at football club on Tuesday and Otis' Mummy thanked him for being so thoughtful and caring at home this week.
