NEW MENUS – WEEK 2
AFTER-SCHOOL CLUBS

Friday 12th May 2023

Dear Parents,

The weather has really improved our mood this week! I am pleased to say that the children have enjoyed much better lunchtimes where behaviour has been respectful and children have taken responsibility for their own actions. They have also played nicely with the new equipment provided by the PTFA and have thought more deeply about our Christian values.

As it was SATs week for our Year 6s this week, I would like to thank the rest of the school for their thoughtfulness over the timetable changes and their behaviour while the many tests were taking place. Our Year 6s have shown such resilience this week with the challenging papers and length of the tests. Well done to all our children for this week: You are TERRIFIC!

Mathletics

We have noticed that fewer children are engaging with Mathletics as part of their weekly homework and would like some feedback from you regarding the programme. The subscription for the year is around £600 and the teachers spend time setting work for each child in the class so there is a lot of time and money used in supporting the learning that is going on in school. Please can you encourage your child(ren) to spend just a bit of time on their Mathletics learning during the week or tell me if the work set is not suited to the needs of your child(ren). Thank you.

Happy Book

In the Happy Book this week; we thanked the Year 5s for all your help and organisational skills this week, I have really appreciated your help and understanding of the Year 6s and we all wanted to thank the Year 6s for working so hard with their SATs and remaining so calm and focussed. You made us very proud!

Roll of Honour

Our Learning Heroes this week: Children who have helped to resolve a problem.

Copeland: Rory has been very helpful this week and he helped to find one of our missing toys.

Durrington: Charlie has been great at resolving problems, he listens to the issues and tries to give guidance.

Fitzwalter: Charlie has been fantastic this week at resolving problems at playtimes and lunchtimes and showing his friends the right choices to make in class! Well done Charlie!

Quickbury: Lola has been great at resolving problems at lunchtime this week, taking the time to reflect on issues that have arisen during football and seeing that sometimes 'barging' is not being done to hurt, but to win the ball. She has helped others to see this too and has had a lovely week of play.

Well done children. You are all TERRIFIC!

Mrs Brittain's Star of the Week

My Star of the Week is Joshua for showing such determination and resilience in everything he has been a part of this week.

Birthdays: Today we sang the birthday song to Tommy (7), Fay (10) and Lilly (9) who will all be celebrating their birthdays in the coming week.
