Friday 11th June 2021

Dear Parents,

I hope you had a lovely half term. We are pleased that we have returned to school with the good weather which has brightened everyone's mood.

At Sheering school this week, we have continued to help support the children in remembering our TERRIFIC values of being compassionate and inclusive. We read them a story about being a 'bucket filler' (filling somebody's imaginary bucket with kindness) as doing kind things also fills our own buckets. It was wonderful to see so many children doing things for others even when an adult had not asked them to and we have had a lovely week as a result.

We have enjoyed being able to enter and exit the school in the usual ways this week and KS2 have enjoyed being in the hall for Collective Worship for the first time in 15 months, but I am still reluctant to fix any dates regarding the end of year events until we hear on Monday if the restrictions will be lifted as planned on June 21st.

Chicken Pox

For your information, we do have a case of chicken pox in school so if your child has red, raised or itchy spots, it could be that. The doctors advise that the children should not return to school until the spots have scabbed over as the children will no longer be infectious. Pregnant women and people who have a compromised immune system (e.g. having chemotherapy etc) may need to be extra cautious.

Happy Book

Mrs Camp and Mrs Stickland wanted to thank Sam and Katie for helping them with the gym equipment.
