### Week 2 Menus

Dear Parents,

I hope everyone is keeping safe and well.

It has been really wonderful to have everybody back in school this week. Thank you for your efforts in preparing the children for this as our week has gone fairly smoothly; the children certainly are demonstrating their resilience and we are very proud of them.

It is Science Week this week and the children had a special visitor (Professor Fizz, aka Miss Johnson) to introduce us to the wonders of science. Each class has been exploring a different theme and I have enjoyed hearing all about what they have learnt.

We also celebrated International Women's Day which also linked so well to Science Week (particularly for Quickbury class who were learning about vaccines and learnt that it was a woman who developed one of the coronavirus vaccine) and also to Mother's Day.

It was also lovely to have so many of you joining us for Team Assembly this morning. I would like to thank Rev.d Dawn for her heartfelt Mother's Day message and for the children's messages for our Mums. We know how this can also be a difficult time for people who have lost a Mum or cannot be with them at this time so Dawn's message and prayer brought cheer to many of us.

#### Happy Book

Mrs Ashbee would like to thank Alfie and Noah for being so happy about being in school and telling all about their school days. Ray and Amelie made me feel very proud with their letters about recycling. They were written very formally and in a polite way.

Well done children. You are all TERRIFIC!
