Week 2 Menu

Dear Parents and Carers,

Throughout the week we have received many thank you messages from the residents who we visited last Friday with our harvest parcels. The Bible teaches us to always be kind and think of others and from the cards and letters we have received we know how much the visits were appreciated. I have displayed all the notes of thanks in the main corridor.

We had a special visitor in school this week, Roy, from the police force and fire service, who talked to the children about safety and being considerate to others when out and about on Halloween and Bonfire nights. The children had many sensible suggestions to make about fireworks and the use of sparklers but Roy also reminded us about safety around candles.
