NEW MENUS – WEEK 1

Friday 13th May 2022

Dear Parents,

This week the SATs (Standardised Assessment Tests) in Year 2 and Year 6 have been a key factor to our working day. The children in the other year groups have had to be extra quiet and some parts of the school have been off limits until the tests were over. I would like to thank the rest of the school for their tolerance of timetable and room changes this week and say a very big 'well done' to Year 6 and Year 2 for their resilience particularly as many of Year 6 were very unwell and had to do the tests at a later date.

Sickness

We are going through a period of sickness in school which is causing the children and adults to have a high temperature, (which has been difficult to control in some cases), a sore throat, a cough and sometimes vomiting. We have continued to make sure the hygiene measures which we introduced during the pandemic, are still in place and are encouraging the children to wash or sanitise their hands. If your child is feeling a little unwell before school, you may want to keep them at home as the children are becoming unwell rapidly through the day and may need to be sent home. The children and staff who have been poorly this week, have been in our thoughts and prayers.

Happy Book

Well done Pablo and Isabelle for a fantastic first week at football club and Phoebe wanted to say thank you to Fay for being kind to her.
