Dear Parents,

Well this week has certainly been a challenge! We have had issues with the phone, with power cuts and IT in general but we have all shown great resilience both at home and at school. I feel we have settled into the flow of this lockdown and when the technology is working, we have gained some structure to our school day. Thank you for your patience, feedback and support and please don't forget that we are still here to help.

Unfortunately, we have had to close our Key Stage 2 school bubble as we have had a positive COVID19 case and all staff and children within that bubble will need to self-isolate for 10 days. I am glad to say though that everyone is well and we look forward to seeing everyone back in school soon.

Today we held in our thoughts and prayers all of our families who have family members who are poorly and in hospital and the families that have suffered losses recently. We are thinking of you.
