Friday 15th July 2022

Dear Parents,

I think this could possibly be the busiest week of the whole school year! We had a TERRIFIC turn out at our Summer fair on Sunday. The PTFA members worked so hard to organise the whole event and we are so grateful for all their time and efforts. The classes had fun selling their wares from Enterprise Week and the final totals are in; the winning class will be announced during the last assembly next Wednesday.

The weather was perfect for our Sports Day on Tuesday. It was wonderful to see the determination and enjoyment on the faces of the children (and adults!) and the sporting behaviour from the spectators.

Throughout the week the children have been finding their courage to take part in the heats of 'Brittain's Got Talent'; we have been entertained by dancers and singers and have loved the comedy timings of our joke-tellers! As the heats are still continuing in school and we have run out of time for the final performance, the winners will be announced next week.

The end of term reports went home and the children had their 'meet the teacher' session yesterday. It was great to see the new Reception class and Miss Woodwright, their new teacher was in school to spend the time with them.

Hot Weather

As it is forecast to have some extremely warm temperatures next week, we will be taking the following precautions; Children may come to school in their usual summer uniform or wear their PE kits (strictly school colours only, no football kits or hoodies). Breaktimes and lunchtimes will be only in the shaded areas with no running around or football. Classes will organise their own cooling events e.g. paddling pools so please refer to Class Dojo for any information. Lunch will only be picnic food and ice creams/ice pops.

Please can you make sure that the children have sufficient sunscreen, a water bottle and a hat each day. However, if you are concerned and would rather collect your child before lunch, please arrange this through the office as early as possible (emails can be sent over the weekend and picked up on Monday) so that we know the numbers for lunch. Children can be collected between 11:45-12:00-no earlier and no later please. For everyone else, school will finish at the normal time on Monday and Tuesday.

Happy Book

I would like to thank all the children who found their courage and didn't hide their talent under a bush-well done for entertaining us all week. I also wanted to thank all the members of the PTFA for last Sunday's Summer fair.
