New Weekly Menu from Monday 14th January

Dear Parents and Carers,

At the beginning of the week we celebrated Martin Luther King day which helped us to think about our Christian value of being Inclusive. The children were able to express how they felt about being excluded and also, what they would do if they saw somebody was being left out. We were thankful that our school is such a TERRIFIC place to be where everyone is valued and included.

Cold Weather

It has been good to see the children coming to school with the appropriate clothing now that the temperature has dropped. Can I remind you that the children will continue to do PE outside and therefore will need a tracksuit and trainers for outdoor use. Please make sure that the clothing is labelled.

Roll of Honour

Our Learning Heroes this week: Children who have persevered in maths and have had a 'light bulb' moment.

Copeland: Isabelle is always persevering in maths. She has been working hard on addition.

Durrington: Vinnie really took a risk with his learning in maths this week. He persevered and rose to the challenge!

Fitzwalter: Josie worked incredibly hard in maths this week and kept challenging herself. She is now an expert in subtraction!

Quickbury: Evie extended her learning in maths with adding and subtracting a range of negative numbers.

Well done children. You are all TERRIFIC!
