Friday 18th June 2021

Dear Parents,

The weather today has not dampened our spirits at Sheering school even with the government's latest announcement that the proposed 'freedom day' on the 21st of June, will be delayed for another 4 weeks. The government has stated that transition days, open days and taster days are not advisable at the moment so we are having to make some tough decisions in the arrangements that we have put in place for the end of term. Some of the events on the diary below will need to be cancelled or postponed.

We had a visit from our School Effectiveness Partner (Local Authority) this week to monitor progress in maths since our last Ofsted visit (2019). I told the children this morning, that she was very impressed with the huge amount of work she had seen in the children's books and how much neater their presentation had become. The children were also really developing their critical thinking skills in maths and I was so pleased and proud to hear this.

Happy Book

Mrs Ballard Adams wanted to say a big 'well done' to Phoebe, Fay, Poppie and Freya for their fantastic effort at football; I wanted to thank Ryan for being so inclusive during football and working so hard for his team and would also like to thank everybody for making my 50th birthday so special yesterday.

Roll of Honour

Our Learning Heroes this week: children who have helped others without anyone asking.

Copeland: James is always thoughtful and caring. He is always aware when others need help.

Durrington: Poppie is always helping out in Durrington class and is always kind and thoughtful.

Fitzwalter: Mrs Stickland was so impressed with Archie's selflessness this week. He needed help but told Mrs Stickland to go and help another child first.

Quickbury: Lucy always quietly offers help and guidance to others and is always willing to volunteer for class duties. Well done children. You are all TERRIFIC!

Birthdays

This morning we sang the birthday song to Otis who will be 5 years old on June 21st.
