Week 1 Summer Menus School Clubs

Dear Parents and Carers,

Towards the end of the week, we have finally begun to see some better weather and we were even able to have our class photographs taken outside. The weather did not spoil the fun we had in Kingswood last week with Quickbury class; it was amazing to see the determination and resilience of the children when they were abseiling, on the zip-wire, fencing or driving the buggies! Mrs Guinan was also amazed by the Year 4 children who had to carry out the duties which Quickbury class always do e.g. organising collective worship.

Summer Reading Challenge

We had a visit from Dominic (Essex Library Service) this week to invite us to take part in this year's reading challenge. It has a space theme and as long as the children have a library ticket, which is free, they can take part. I hope as many children as possible take up the challenge and we look forward to celebrating their success in September.
