Thursday 22nd October 2020

Dear Parents,

I cannot believe how quickly this half term has gone and I would like to thank you for all your support with all the changes. The children have remained so positive and we have all managed to stay safe so far. I am also impressed with the amount and quality of the work the children have produced this term and I know that we are making good progress in closing the gaps which the long absence from school may have caused. You will receive the Autumn term reports during the first week of next half term.

We had a visitor in school this week from the fire service who reminded the children about safety during Trick or Treating/Pumpkin hunting and when using fireworks. As both events will be held differently this year, we need to be more aware of candles when we are at home and fireworks lit in gardens.

I hope everyone has a safe half term and I look forward to seeing you all on Tuesday 3rd November.
