New Winter Menu – Week 1 School Clubs

Dear Parents and Carers,

Even though we have had a really enjoyable half term, we are also pleased that the half term break is here. The children have worked so hard and it has been lovely to see the progress they have made in their books but also in PE, art and music. We have also noticed how the children have been thinking about our TERRIFIC values in the way that many help others, say kind words and persevere with challenges.

School Council helped us to design the new winter menus which will begin after half term. They will be sent by Parentmail today and will be on our website. Please let us know if you would like a paper copy.

Staffing

We had to say goodbye today to Aileen Gudgeon, one of our Midday assistants who is starting a new job on Monday. We wish her well and would like to thank her for all her help and kindness. This week we had a visit from Mr Meade who stayed with us for the whole day. It was really good to see him and we look forward to his next visit. We are also pleased to announce that Laura (Midday assistant) had her baby boy, Avery on Monday and they will hopefully be home tomorrow.

Sponsored Run

Each class has now completed their sponsored run and your children should be able to tell you how many laps they completed. Thank you for any money that has come into school already.
