Week 1 Summer Menus School Clubs

Dear Parents and Carers,

This week the children have spent a lot of time preparing for the harvest service in church; they wrote prayers, practised their songs and instruments and sang so beautifully together. It was lovely to share the time together as a school and I would like to thank the Rev'd Dawn, Caroline and Elsie Baker for taking such good care of us once again in the church.

We have also continued to think about our wonderful world which God created and were inspired by the Swedish school-girl Greta Thunberg who the children had heard about on the television, through social media or YouTube. Greta is passionate about the world she is growing up in and what we can do to preserve its beauty. I am excited to begin our Eco-Church committee again soon as the children have had such wonderful ideas about litter picking, recycling and taking good care of our wonderful planet.

Macmillan Coffee Morning

Thank you for all your support with the Macmillan coffee morning today. It was lovely to have those who were able to stay after Team assembly and we had so many amazing cakes to choose from. The Macmillan charity has supported many of our families at Sheering School so it was wonderful that we were able to support the fantastic work that they do.

Past Pupils

We were really pleased that some of our past Year 6s came to visit us when Leventhorpe had a training day last week. They have settled so well and we were really proud to hear, that out of over 200 children, 6 awards were given for taking part in their summer reading challenge and 3 of those children were from Sheering school. Well done Evie, Kristian and Jessica.
