Week 2 Summer Menus School Clubs

Dear Parents and Carers,

We began the week by revisiting our understanding of Building Learning Power (BLP) and how this links with our Christian values e.g. having resilience, being independent and always trying to be the best that we can be. It was really lovely to hear the children using the last part of our new school Vision, 'We are God's masterpiece' to help them think about trying their best in all that they do. We are challenging the children to try and reach their silver or gold BLP award by the end of the school year which means that the teachers will also have to work hard to award the stamps in the children's Learning Passports.

Summer Fair

The children and staff had fun in their pyjamas today; this was organised by the PTFA in order to collect donations for the Summer Fair (Sunday July 7th). We hope that you will support this event in whatever way you can e.g. helping to set up at 9am, clearing up afterwards, manning a stall for part of the afternoon, telling friends and family, buying raffle tickets and coming along! This is one of our main fundraisers for the year and through their work, parents have been able to match-fund whatever we make so please do come and support us.
