Week 2 New Menus

Dear Parents and Carers,

We started the week by acting out the story of thanksgiving in Collective Worship, which helped us to think more deeply about our TERRIFIC (Christian) values. The children saw pictures of some of the things that we take for granted such as our homes and our school and then saw pictures of children e.g. who did not go to school or who lived on the streets. In our prayers we remembered to be thankful for the privileges that we have and to think of others. Last week's Children in Need event was the perfect opportunity to demonstrate this and at Sheering school we raised over £70.

Parking

Please can you be aware of how busy the village carpark is in the morning and that small children, who are not always visible, are walking through. For the safety of our children, can I remind you to reduce your speed when driving through the carpark and to have a little patience while waiting. Thank you.

Achievements from Home and School We had much to celebrate in assembly this morning:

Home: Nathan has passed his 25m in swimming; Emily, Harriet and Henry all took their Piano Prep Test and the examiner wrote some very encouraging comments about their performances; Molly was proud that she is now a Brownie and has said the Brownie Promise and Luke and Lilly have taken part in another Cyclocross race and once again, have improved on their previous race scores.
