### **Week 2 Menu**

Dear Parents and Carers,

To help us think about the Christian value of Thankfulness, we began the week by listening to the story of Noah. The children were very good at identifying all the things that Noah was thankful for and during Team assembly this morning, we were able to celebrate the children who have helped others in the way that Noah tried to.

#### **New Governors**

At the end of the summer term we had to say goodbye to two of our governors which means that we have two vacancies on our governing body. The governors play a very important part in the development of our school and the job can be very rewarding. The full governing body and the committees (Personnel and Curriculum and Resources) meet every term to review pupil progress, health and safety, safeguarding and the school finances. You do not need any previous experience to become a school governor and training is provided. If you are interested in joining our governing body, please speak to us in the school office or to one of our parent governors (Steve Townsend (chair) Anna Beck, Paul Newman and Andy Kent) will be happy to have a chat with you if you see them before or after school. You will also be able to find out more information on the evenings of the parent consultations where some of the governors will be available to talk to you.

#### **PTFA**

We have got our first PTFA meeting on Wednesday 26<sup>th</sup> September, 8:00pm at The Cock pub. We look forward to welcoming new parents and grandparents to join this hardworking, dedicated team. The children are really enjoying the outside classroom and the IT equipment that the PTFA funded last year and we are hoping that this year, more of you can help as the money is making such a difference to our children's learning and enjoyment of school life.
