Week 1 Menu

Dear Parents and Carers,

It was lovely to see so many of you at the Table-top sale held by the PTFA last Sunday. The weather was glorious (too hot!) but there were many stalls and refreshments for us all to enjoy. I would like to thank the members of PTFA and their families for their tireless efforts not just on Sunday but all year. The money raised has made such a difference to the learning of all our children. It would be wonderful if we could have enough support from parents in order to run the full Summer Fair next year.

The KS2 production of the Lion King was a huge success with all the children learning their lines, singing and dancing brilliantly and playing the instruments. There were many outstanding performances from our Year 5&6 children who took the lead parts and Year 3&4 were TERRIFIC lion cubs and young hyenas. You can still order a DVD of Wednesday night's performance from the school office.

Yesterday the children were able to meet their new teacher for next year while Year 6 spent the whole day in their secondary school. You should have received the new class lists for September this week and your child's end of year report with other reports for Years R, 1 2 and 6. Please can you return the report slip to say you have received it and to make any comments if you would like to.
