Summer Menus Week 1
All clubs will run next week

Dear Parents and Carers,

I hope you enjoyed the long weekend and made the most of the good weather. In school, the teachers spent the day developing and assessing progress in the foundation subjects i.e. history, geography, music, art, IT, PE and RE. As standards have continued to improve significantly in reading, writing and maths, we are also making sure that the children are making good progress in other areas of the curriculum. It was lovely to see the standard of work in the children's books and the progress across the whole school in each subject. This half term we have been exploring our Christian value of being Trustworthy and Honest and the children listened with intent to Rev'd Dawn tell the parable, from the book of Matthew, about the poor man who found some treasure. There were many aspects of the story that the children asked questions about and they were able to relate to their own lives.

SATs week

Next week (8th-11th May) is the beginning of the Year 6 statutory tests. We ask the rest of the school to be extra considerate during the times of the tests and Year 6 were in our prayers this morning. After all their hard work, we know they are going to do try their best.
