Dear Parents and Carers,

We have had a wonderful last week at Sheering school. Even though the children (and staff!) have been very tired they have tried hard to follow our TERRIFIC values by being Respectful to each other and including people in their activities.

On Wednesday, in between the rain showers, we were able to hold the second part of our Sports Day; the children really enjoyed all the new sporting events this year including basketball and hockey. Points were also awarded for Team Spirit and it was lovely to see the Team leaders looking after their teams and everybody cheering each other on.

Our Year 6 children lead us through a very emotional Leaver's Assembly on Thursday morning; there was plenty of tears and laughter as the children recounted their experiences at Sheering school. The staff and Governors would like to wish them good luck as they move on to their secondary schools and we look forward to hearing about their continued success in their new schools.

End of Year Reports and Parent Questionnaire

I hope you have found your child's end of year report informative and thank you for returning the report slips. The teachers appreciate the comments and feedback from them.

I apologise for sending the parents questionnaire out so late in the year but, from the feedback given, it was a time for parents to reflect on the whole year. Over the Summer holidays, I will be analysing the questionnaires and will send a report to you in the Autumn term. There was a good response to the questionnaires and the information gathered forms part of our self-evaluation so I would like to thank you for taking the time to complete it.
